## 4. Access Lab Materials

### Overview

The table below lists all **CP4BA capabilities** that we currently have labs for. A capability may contain one or more labs depending on the complexity. It is recommended that during the Jam, you prioritize the capabilities that you are interested in. **You don't have to perform the labs in a specific order.**

To **earn a badge** for a specific capability, you must complete all labs for it and answer the **Quiz** linked in the table below.

In case you have **questions or issues related to a specific capability lab**, use the **Slack Channel** linked in the table below. For any **general questions, comments and feedback** please go to the [#cp4ba-tech-jam-india-main-lobby](#) Slack channel.
